

FISCAL NOTE

SB 3240 - HB 3298

June 26, 2002

SUMMARY OF BILL: Specifies that, in counties having a population in excess of 800,000 according to the 2000 or any subsequent federal census, a nonprofit public benefit corporation operating a hospital whose board of directors is primarily appointed, designated or elected by a local governmental entity and which hospital corporation either receives funds appropriated by a county or municipal legislative body or receives or leases real property from a county or municipality is included in the definition of "governmental entity" for the purposes of the Governmental Tort Liability Law.

ESTIMATED FISCAL IMPACT:

MINIMAL

Estimate assumes the provisions extend governmental tort liability protection to the nonprofit corporation but does not affect the liability of local governmental entities in which such corporation is located.

CERTIFICATION:

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
